Firestop Specialists Who Give You Peace of Mind

*Solid Performance & Quality Relationships
Make PCI a Trusted Industry Leader*

At PCI, PERFORMANCE is our passion. You can rest assured that our firestopping specialists will devise and install all assemblies needed to contain flame, smoke, pressure, and radiation as well as reduce temperature transmission in facilities across all industries.

EXPERIENCED PROJECT MANAGEMENT YOU CAN RELY ON

Since 1987, we have been providing full-service specialty contracting services to commercial, municipal, industrial, and institutional facilities around the country. Complete manpower and material requirements are charted over the scheduled life of the project using our internally developed job-control systems.

SERVICES ARE PERFORMED EXPERTLY & ON SCHEDULE

We have the knowledge, qualifications, capacity and experience to handle any need. Our crews are continually trained in the installation of products and systems for maximum efficiency.

"SINGLE SOURCE" CAPABILITIES = RESPONSIVE SERVICE

With our national resources and local expertise, PCI offers a "single-source" solution. Only PCI is capable of combining superior range of services, equipment, purchasing power, labor control, and knowledge of local regulations to give you fast, comprehensive service.

AT THE HEART OF PERFORMANCE CONTRACTING

SAFETY

PCI consistently has one of the lowest EMRs in the country, due in large part to our innovative Safety Program. Every employee receives targeted safety training throughout the year, in the field and in the classroom.

TRAINING

PCI requires comprehensive training for all our foremen, superintendents, managers, estimators, engineers, and administrative personnel. With our advanced job skills programs, we develop the most capable professionals who perform the best service for our customers.

ETHICS

Integrity and reputation are fundamental to our success. That's why we developed the "Principles of Business Conduct." This provides guidance for employees to maintain the highest standards of ethical and legal practices in the industry.

STRENGTH

PCI continually ranks as one of the Top Specialty Contractors in the nation by *Engineering News-Record (ENR)* magazine. Our strong financial credentials allow us to provide excellent bonding and insurance for our customers' protection.
