Quality installation, innovative solutions, and exceptional service make PCI a trusted industry leader

SAFETY

PCI's number one core value is safety. We consistently have an industry-leading safety program as demonstrated by our low EMR.

QUALITY ASSURANCE

One of PCI's core values is quality assurance. PCI is on the cutting edge of utilizing technology in the field through our tablet-based QA program. Critical projects and details are where PCI shines.

EXPERIENCE

PCI has been installing panels for nearly 50 years. We have the expertise needed to control the air, water, vapor, and thermal layers of your building's envelope.

MARKETS SERVED

PCI has extensive experience in several sensitive markets. From coast to coast, PCI has installed food and beverage solutions in challenging environments. PCI has also built some of the most state-of-the-art clean/dry rooms for the technology industry. Whether it is USDA requirements or critical moisture control, PCI has the breadth of expertise to perform well.
