

## SPECIALTY SERVICES: **EXTERIOR CLADDING**

Exterior cladding can save maintenance costs, regulate temperature control, and add to the beauty and longevity of your building. Our knowledgeable experts offer a variety of cladding solutions:

- ACM (Aluminum Composite Material) Panels
- Plate Panels (Solid Aluminum)
- Terracotta
- Fiber Cement
- GFRP (Glass Fiber Reinforced Polymers)
- GFRC (Glass Fiber Reinforced Concrete)
- Ultra-Compact Cladding
- HPL (High-Pressure Laminate) Panels
